

RODRIGO MARIÑO CD, MPH, Ph.D
School of Dental Science,
University of Melbourne
(03) 9341-1558 (W)
(03) 9341-1597 (FAX)

ACADEMIC QUALIFICATIONS

- 2007** **Graduate Diploma in Virtual Education**
University of Valparaiso, Valparaiso, Chile
- 1997** **Doctor in Philosophy (Ph.D.)**
Faculty of Medicine, Dentistry and Health Sciences.
University of Melbourne. Melbourne, Australia.
- 1992** **Residency in Dental Public Health**
National Institute of Dental and Craniofacial Research/National Institutes of Health.
Bethesda, Maryland, U.S.A.
- 1989** **Master of Public Health**
School of Public Health, University of Minnesota.
Minneapolis, Minnesota, U.S.A.
- 1988** **Diploma: Multidisciplinary Insight to Third World Countries**
Faculty of Political Science, University of Pisa.
Pisa, Italy.
- 1983** **Cirujano-Dentista (Bachelor in Dental Science)**
School of Dentistry, University of Chile. Valparaíso, Chile.

PRESENT POSITION

Associate Professor and Reader
Cooperative Research Centre for Oral Health Science
Melbourne Dental School
University of Melbourne.
Melbourne, Victoria.

Visiting Senior Researcher
Supervisor (PhD candidates)
Núcleo de Investigação em Qualidade de Vida, Ambiente e Saúde (NISA)
Centro de Estudos Culturais, da Linguagem e do Comportamento (CECLICO)
Fernando Pessoa University.
Oporto, Portugal.

Honorary Fellow.
School of Health.
University of New England.
Armidale, New South Wales.

WORK EXPERIENCE

- 2010** Visiting Professor.
Faculty of Dentistry,
University of Valparaíso,
Valparaíso, Chile
- 2010** Visiting Professor.
School of Dentistry,
University of Talca,
Talca, Chile

WORK EXPERIENCE (cont.)

- 2009** Visiting Fellowship.
School of Dentistry,
University of British Columbia,
Vancouver, Canada
- 1999-2004** Senior Lecturer.
School of Health.
University of New England.
Armidale, New South Wales.
- 2004** Project coordinator (PhD in Counselling).
School of Health.
University of New England.
Armidale, New South Wales.
- 2003** Visiting Professor.
Faculty of Dentistry,
University of Valparaíso,
Valparaíso, Chile
- 1997-1999** Research Fellow.
School of Health,
University of New England.
Armidale, New South Wales.
- 1992-1999** Epidemiologist/Researcher
Project Prevention of Dental Caries through Fluoridated Milk.
Institute of Nutrition and Food Technology (INTA),
University of Chile. Santiago, Chile.
- 1995-1997** Research assistant (P/T).
Men, Culture, and Sexual Health Project.
Centre for the Study of Sexually Transmissible Diseases.
La Trobe University, Melbourne, Victoria.
- 1989-1992** Temporary Advisor, Short Term Consultant:
- Oral Health Program
- Health Policies and Health Technology Development Program
- Health of Adult Program
- Social Security Program
Pan American Health Organization/World Health Organization,
Washington, D.C., U.S.A.
- 1983-1987** General Dental Practitioner
Chamber of Commerce of Valparaíso, Valparaíso, Chile.
Teacher's Association of Chile, Valparaíso, Chile.

PUBLICATIONS:

I. Books and Major Reports

1. MARIÑO R, Villa A, Weitz A. *Dental caries prevention using milk as the vehicle for fluorides: the Chilean experiences*. The School of Dental Science, University of Melbourne's Community Dental Health Monograph Series. No. 12. ISBN 07340 2734 6/ 0 734 02735 4 (Spanish Version). 2006.
2. MARIÑO R, Morgan M. *Manual on Economic Evaluation of Milk-fluoridation projects*. The School of Dental Science, University of Melbourne's Community Dental Health Monograph Series. No. 13. ISBN 0 7340 3663 9/0 7340 3687 6 (Spanish Version). 2006.
3. MARIÑO R, Wright FAC, Schofield M, Minichiello V, Calache H. *Oral Health Promotion Program for Older Migrant Adults*. School of Health, University of New England. 2002.
4. MARIÑO R. *Oral health in migrant communities: The role of acculturation*. (PhD Thesis). The University of Melbourne. Melbourne, Australia. 1997.
5. Pan American Health Organization: *La salud bucodental: Repercusión de VIH/SIDA en la práctica odontológica* (Oral health: Implication of HIV/AIDS and dental practice) Manual to published by the Oral Health Regional Program. PAHO/WHO. Washington, DC. 1994.

Conferences and Seminars

1. Co-organiser and presenter at the Dental Caries Prevention Program Evaluation Workshop. 3-days Seminar and Workshop. Thailand Department of Health (Dental Public Health Division). Bangkok, Thailand. March 2011.
2. Co-organiser and presenter at the 1st Colóquio Internacional. Exclusão Social e Acesso à Saúde: A percepção dos direitos e a construção da vitimização. Fernando Pessoa University. Oporto, Portugal, 13 January, 2011.
3. Keynote speaker at 1st Encuentro Científico de Estudiantes de Odontología, Universidad de Valparaíso University of Valparaíso, Valparaíso, Chile, November, 2010.
4. Co-organiser of the First Symposium in Oral Health for Older Adults at the University of Talca, Chile. October 2010.
5. Developing the e-health competence of the Australian health workforce: a research roundtable. Sponsored by the University of Melbourne Steering Committee for Health Informatics. November 2009.
6. Economic Evaluation program of Dental caries prevention program. 2-days Seminar. Thailand Department of Health (Dental Public Health Division). Bangkok, Thailand. September 2009.
7. Keynote speaker at the 1st International Conference On Life Quality, Environment And Health: Transdisciplinary Perspectives. Fernando Pessoa University. Ponte de Lima, Portugal, April 2009.
8. Evaluation program of Milk fluoridation project in Chile. Seminar. Thailand Department of Health (Dental Public Health Division). Bangkok, Thailand. January 2009.
9. Economic evaluation of oral health prevention programs. International Symposium on Fluorides organised by the School of Public Health, Universidad de la Frontera, Temuco-Chile. October 2008.
10. Future of Oral health research, as part of the opening of the academic year of the School of Dentistry, at the Universidad Austral de Chile in Valdivia, Chile. April, 2008
11. Chair a Symposium on "Oral health and the elderly" at the International Congress in Dentistry in Valparaiso, Chile. October, 2005.
12. Education and Health in Chile: a comparative approach. Keynote speaker at the Country Women Association (CWA) Summer School. Armidale, NSW, February, 2004.
13. Oral Health Promotion Program for Older Migrant Adults living in Melbourne, Australia. Institute of Nutrition and Food Technology's Seminars series. Santiago, Chile April, 2003.
14. Milk-Fluoridation. Paper presented at a symposium organized by the Chilean Society of Public Health and Community Dentistry to commemorate the 50th anniversary of water fluoridation in Chile. Viña del Mar, Chile. October, 2003.
15. Oral Health in Older Adults: Is it important? Caja de Prevision de la Defensa Nacional, Ministry of Defence. Santiago, Chile. November 2003.
16. Oral health promotion program for older migrant adults. Australian Dental Association-Victoria Branch's Dental Health Months. August, 2002.
17. Health promotion program for older migrant adults). Presented at the Public Health and Community Dentistry and Society of Valparaíso. Valparaiso-Chile. May, 2002.
18. Australian Male Sex Workers Study. HIV/AIDS Primary Prevention Seminars Series. Faculty of Psychology. Cordoba National University. Cordoba, Argentina, June 2002.
19. Oral Health and Older People: Experience from a Health Promotion Project. Hong Kong Association of Gerontology/Hong Kong Institute of Gerontology. Hong Kong. PRC, March, 2001.
20. Acculturation and dental health among Vietnamese living in Richmond, Victoria. Showcasing Public Oral Health Research in NSW. NSW Department of Health. Sydney, November 1999.

21. Development Of An Australian Acculturation Scale. Dept of Psychiatry, University of Melbourne, Beattie Smith Research Day. March, 1995.
22. In Search for Oral Health in Refugees. Presentation at the Refugees Communities and Health Services. Melbourne, Victoria, June 1993.
23. Oral Health in the Elderly. Presented at the Third Course in Geriatric and Nutrition. Santiago, Chile, August 1992.
24. Oral health conditions in the Americas. Presented at the Salt fluoridation Workshop. Mexico City, Mexico. April, 1991.

IV. Research grants awarded

1. Name of granting body: MBF Foundation
Names of Recipients: MARIÑO; Urias
Topic: Multimedia Web Enhancement Oral Health Promotion Program for Older Adults
Period of Grant: 1 – September - 2010 to 30- December - 2011
Amount of Grant: \$ 78,880
2. Name of granting body: Dental Health Services Victoria Research & Innovation Grants
Names of Recipients: MARIÑO;
Topic: Concordance between real-time teledentistry assessments and face-to-face examination.
Period of Grant: 1 – September - 2010 to 30- August - 2011
Amount of Grant: \$ 20,398
3. Name of granting body: International Association for Dental Research (IADR)
Regional Development Program
Names of Recipients: MARIÑO, Giacaman
Topic: Oral Health Assessment of Maule Region, Chile and training on Research Methods
Period of Grant: 1 October 2010 - 30 September 2010
Amount of Grant: US \$ 10,000
4. Name of granting body: Dental Health Services Victoria Research & Innovation Grants
Names of Recipients: Calache, MARIÑO; Bacchia
Topic: Implementing a Minimal Intervention Dentistry Clinical Protocol for adolescent public dental patients at high risk to dental caries: a pilot study
Period of Grant: 1 – October - 2009 to 30- September- 2010
Amount of Grant: \$ 48,000.00
5. Name of granting body: Australian Dental Research Foundation (ADRF): Undergraduate Research Grant,
Names of Recipients: MARIÑO; Au-Yeung, Morgan
Topic: Sociodemographic Backgrounds and Career Decisions and Use of the Internet and Information Technology in Victorian Oral Health Professions Students
Period of Grant: 1 – October- 2009 to 31- July- 2010
Amount of Grant: Aus \$ 3,800;
6. Name of granting body: Australian Dental Research Foundation (ADRF)
Names of Recipients: Habibi, MARIÑO; Morgan
Topic: Sociodemographic Backgrounds and Career Decisions of Australian and New Zealand Students of Oral Health Professions, and their Use of the Internet and Information Technology
Period of Grant: 1 – October- 2009 to 30- September- 2010
Amount of Grant: \$ 3,000.00
7. Name of granting body: Dental Health Services Victoria Research & Innovation Grants
Names of Recipients: MARIÑO; Tham, Chee-Wah Khew, Stevenson
Topic: Oral health status, treatment needs, and psycho-social determinants among older adults living in a regional centre of Victoria
Period of Grant: 1 – July- 2008 to 30- June- 2009
Amount of Grant: \$ 49,557.08
8. Name of Granting Body: Universidad of Nacional de Cordoba
Names of Recipients: Disogra Carlos, Victor Minichiello, Rodrigo Marino
Research Topic: Investigating safe sex practices of male sex workers in Buenos Aires
Period of Grant: 2008, Amount of Grant: \$6,000USD
Applicant's Contribution (as a percentage) 30%, role: Principal investigator
9. Name of granting body: Dental Health Services Victoria Research & Innovation Grants

Names of Recipients: Mariño; Calache, Whelan.

Topic: Socio-demographic profile of users of public oral health care services in Victoria

Period of Grant: 1 – July- 2008 to 28- Feb- 2009

Amount of Grant: \$ 15,745.64

10. Name of granting body: Canadian Institute for Health Research (CIHR)

Names of Recipients: MacEntee; Wong; Williamson, MARINO; Minichiello, Lin, Lo, Kiyak, Kwan

Topic: International Comparison of Oral Health and Acculturation Among Elderly Chinese Immigrants.

Period of Grant: 1 August 2007 - 31 July 2009

Amount of Grant: Can \$ \$102,071

Research grants awarded (cont.)

11. Name of granting body: International Association for Dental Research (IADR)
Regional Development Program
Names of Recipients: MARIÑO, Morgan, Arana
Topic: Regional Development Program for training in research methods and oral health surveys and the assessment of oral health in the Peruvian Division of the IADR
Period of Grant: 1 October 2007 - 30 September 2008
Amount of Grant: US \$ 15,012.
12. Name of granting body: Borrow Foundation, UK
Names of Recipients: MARIÑO, Morgan, Campaign, Uribe
Topic: Economic evaluation and systematic review of oral health interventions.
Period of Grant: 1 October 2007 - 31 December 2008
Amount of Grant: US \$ 28,316.60
13. Name of granting body: William Buckland Foundation (ANZ Trustees)
Names of Recipients: MARIÑO, Morgan, and Calache
Topic: Providing community based culturally competent oral health care for Southern European older adults
Period of Grant: 1 May 2007 - 31 April. 2008
Amount of Grant: Aus \$ 36,715
14. Name of granting body: Australian Dental Research Foundation (ADRF)
Names of Recipients: MARIÑO, Morgan, Schwarz E, and Kiyak
Topic: Impact of Cultural Values and Immigration on Oral Health in Australia
Period of Grant: 1 Jan 2007 - 31 December. 2007
Amount of Grant: Aus \$ 3,500
15. Name of granting body: International Association for Dental Research (IADR)
Regional Development Program
Names of Recipients: MARIÑO, Morgan,
Topic: Regional Development Proposal for training in research methods and oral health surveys in the Chilean Section of the IADR
Period of Grant: 1 Jan 2007 - 31 December. 2007
Amount of Grant: US \$ 11,000
16. Dental Health Services Victoria; Calache H, Groves V, Gussy M, MARIÑO R, Morgan MV, Satur JG, Hopcraft MS MARIÑO, Morgan,
The capacity of dental therapists to provide restorative care to adults: An Australian clinical trial
Period of Grant: 31 October 2006 - 31 January. 2008
Amount of Grant: \$ 170,090; Applicant's Contribution (as a percentage): 35%
17. Name of granting body: University of Valparaíso - Valparaíso, Chile
Names of Recipients: Badenier, Cueto, MARIÑO,
Topic: Evaluación del programa de fluoración del agua potable en la V Región, según prevalencia de caries y fluorosis en niños de 5 y 12 años, (Evaluation of dental caries prevalence and fluorosis in children aged 5 and 12 years under a water fluoridation program)
Period of Grant: 1 March 2006 - 31 December. 2006 Amount of Grant: Aus \$ 4,000.
18. Name of granting body: National (Chilean) Commission for Scientific Research and Technology /National Fund for Health Research.
Names of Recipients: Badenier, Cueto, MARIÑO, Acevedo.
Topic: Estudio de prevalencia de las enfermedades buco dentales y necesidades de tratamiento en la V Región (Oral health diseases and conditions and treatments needs in the Chilean Fifth Region)
Period of Grant: 1 March 2006 - 31 December. 2006
Amount of Grant: Aus \$ 50,000
19. Name of granting body: Borrow Foundation, UK
Names of Recipients: Villa, MARIÑO
Topic: Institutionalization of fluoridated milk programs for dental caries prevention in Chile
Period of Grant: 1 March 2002 - 31 August. 2004
Amount of Grant: Aus \$ 175,000
20. Name of granting body: Victorian Health Promotion Foundation
Names of Recipients: Wright, MARIÑO, Minichiello, and Schofield
Topic: Evaluation of community based oral health promotion program for migrant older adults.

Period of Grant: 1 January 2000 - 31 December. 2002
Amount of Grant: Aus \$ 365,000.

Research grants awarded (cont.)

21. Name of granting body: University of New England, Faculty of Education, Health and Professional Studies (IRG)
Names of Recipients: MARIÑO
Topic: Social and cultural background of Australian and New Zealand dental students
Period of Grant: 1 March 2002 - 31 December. 2002
Amount of Grant: Aus \$ 4,000.
22. Name of granting body: Department of Health and Human Services, Victoria
Names of Recipients: Wright, MARIÑO
Topic: Trailing new areas of oral health promotion activity for Older Migrant Adults
Period of Grant: 1 March 2002 - 31 December. 2002
Amount of Grant: Aus \$ 5,000.
23. Name of granting body: Australian Research Council (ARC) Small Grants
Names of Recipients: MARIÑO, Minichiello,
Topic: Cross-national validation of a study on male sex workers
Period of Grant: 1 January 2000 - 31 December. 2000
Amount of Grant: Aus \$ 3,000.
24. Name of granting body: Australian Research Council (ARC) Small Grants
Names of Recipients: Coulson, Rosewarne, MARIÑO
Research Topic: The development of an instrument that examines older people's knowledge and lifestyles practices in the prevention of vascular dementia
Period of Grant: 1 January 2000 - 31 December. 2000
Amount of Grant: Aus \$ 7,000.
25. Name of granting body: Borrow Dental Milk Foundation, UK
Names of Recipients: Villa, MARIÑO
Topic: Prevention of dental caries through fluoridated powdered milk in Codegua, Chile.
Period of Grant: 1 March 1994 - 31 December 1999
Amount of Grant: Aus \$ 450,000.

V. Teaching

2008 – Present

Research Design course. Semester 2, 2008. Course offered to post-graduate students.

Society and Health 1B 2008. Course offered to students in the Bachelor of Oral Health

2004 Research Topics (HS 457/557): 15 students in semester 1, 2004; 18 students in semester 2.

Epidemiology and Health (HSHM 331/431): 27 students in semester 2.

Clinical Field Study (HS 558) Hong Kong, 27 students in semester 2.

2002 Biostatistics for Health Professionals (HSHM 251/451): 6 (HSHM 251) and 38 (HSHM 451) students in semester 1.

Epidemiology and Health (HSHM 331/431): 7 (HSHM 431) Indonesian students in semester 1; and 6 (HSHM 331) and 42 (HSHM 431) students; and 23 (HSHM 431) Hong-Kong students.

2001 Biostatistics for Health Professionals (HSHM 251/451): 11 (HSHM 251) and 22 (HSHM 451) students in semester 1.

Epidemiology and Health (HSHM 331/341): 6 (HSHM 331) and 54 (HSHM 431) students; 7 (HSHM 331) Aboriginal Health Management students in semester 2.

Special topics in Gerontology (HSGR 421) Hong-Kong Master in Gerontology program

Research Methods in Health Hong-Kong program: 50 students

2000 Epidemiology and Health (HSHM 331/341): 7 (HSHM 331) and 64 (HSHM 431) students in semester 2.

Biostatistics for Health Professionals (HSHM 251/451): 28 (HSHM 251) and 43 (HSHM 451) students.

1999 Community Assessment (HSHM 335/435): 18 (HSHM 335) and 59 (HSHM 435) students

Epidemiology and Health (HSHM 331/341): 15 (HSHM 331) and 67 (HSHM 431) students in semester 2

VI. Service to the University and to the Community

University of Melbourne Committees and Groups

University Committees

- 1) Health Information Network
- 2) Universitas 21 Dental Education Working Group.

School Committees

- 3) Teaching and Learning Committee (TLC)
- 4) Member, School of Dental Science's Research Committee
- 5) Grant Allocation Working Group, a sub-committee of the School of Dental Science's Research Committee.
- 6) Public Health and Epidemiology Research Group
- 6) Population Oral Health and Periodontic Group

Other Memberships

- 1) Member, Human Research Ethic and Research Division Staff Group, Health Promotion and Research Division, Dental Health Services Victoria.
- 2) Member, Cultural Diversity Steering Committee, Dental Health Services Victoria (DHSV).
- 3) Member, Victorian Dental Health Dataset Working Group, Department of Human Services (DHS).
- 4) Victorian Public Health Research and Education Council (VPHREC).

University of New England (Armidale) Committees

- 1) Member, Online Teaching Initiative
- 2) Member, Health Science Course Team Committee
- 3) Member, Research Culture Group (FEHPS)
- 4) Member, Research and Higher Degrees Studies Committee (School of Health)
- 5) Health Management and Health Science Course Team Committee (School of Health)
